5,000 Spectators Attend Aquatic Races on Sunday

55 Outboard Boat Entries Offer Many Thrills At Donner

A crowd of over 5000 people turned out Sunday to witness the fourth annual Truckee - Donner Lake Regatta, with the list of 55 entries in the various outboard motor boat races giving spectators countless thrills throughout the afternoon. Beautiful weather prevailed and near-perfect water conditions added to the success of the occasion.

Trophies were awarded to the first three place winners in each event with Samuel C. Paul, vice commodore of the California Outboard Association from San Bruno, making the presentations. The events were sanctioned by the American Power Boat Association and conducted under the joint auspices of the California Outboard Association and the Truckee Chamber of Commerce.

The chamber committee in charge of local arrangements consisted of H. B. (Bud) Bradshaw, chairman; Red Reid, Jay Richard, Hal Welch, Dick Robarts and Jerri Bonano. Much of the credit for the success of the occasion belongs to this group.

First three place winners in each event were as follows:

C Service Runabouts: Chet Parks, first; Lon Stevens, Oakland, second; Yori Aoki, Woodland, third.

B Stock Hydros: Oroville Herrick, Del Paso Heights, first; LaVere Brown, Salinas, second; Roland B. Van Ness, Saratoga, third.

C Service Hydros: Delroy Wagner, Fresno, first; Ward Angilley, Daly City, second; Ed Hawtrey, Sacramento, third.

Bu Runabouts: Bud David, Modesto, first; Frank Geries, Sacramento, second; Art Knoltz, Redding, third.

C Outboard Hydros: Jim Pickard, Stockton, first; Ward Angilley, Daly City, second; Lon Stevens, Oakland, third.

F Outboard Hydros: Frank Signorello, San Francisco, first; Samuel C. Paul, San Bruno, second; Chuck Parsons, Lodi, third.

C Racing Runabouts: Lon Stevens, Oakland, first; Chet Parks, Vacaville, second; Don Biagio, San Francisco, third.

F Racing Runabouts: Bill Siemsen, Santa Rosa, first; John Chiapparelli, Belmont, second; Chuck Parsons, Lodi, third.

A Johnson outboard motor was awarded by the Truckee Chamber of Commerce to Tom Bonano at the close of the races, with several other presentations being made among the spectators.

Wheat Case Postponed As Sanity Question Is Raised by Attorney

W. A. Carver, Truckee attorney, assigned to defend Willie Wheat on charges of killing Lee Madsen on June 9, was in Downieville yesterday where he secured a postponement in the case.

Carver said he had made a motion to arrest the proceedings on grounds of the defendant's sanity. Superior Judge Bertram Janes sustained the motion and Wheat will be taken to DeWitt State Hospital for examination. July 28 has been set for a hearing on the results of this examination.

The judge also assigned Alan Theiler, Quincy attorney, to assist Carver in the defense. Wheat is alleged to have shot Madsen after the latter, on a fishing trip in eastern Sierra County, refused to give him a ride.

Boy Delivered to Wife Of Tahoma Postmaster

A baby boy was born at Tahoe Forest Hospital here on Friday, July 8, to Mr. and Mrs. Silvan Sartor. He weighed eight pounds 13 ounces at birth and has been named Richard Lawrence. His father is postmaster at Tahoma, Lake Tahoe.

To Grass Valley—

Mrs. Sylvia Beck, former Truckee resident, and her sister, Mrs. Marjorie Amick of Seattle were here briefly en route to Grass Valley, following an extended trip through the east. Mrs. Beck has purchased a home in the west Nevada County city.

Former Residents—

Mr. and Mrs. John Gracik and daughters of Reno were local visitors this week.

In Hospital—

Mrs. Donna Songer is reported to be under treatment in the Washoe Medical Center in Reno.

Business Visitor—

Reg Smart is a business visitor in San Francisco this week.

From City—

Mrs. Eddie Ulsheimer is here this week from San Francisco, visiting her parents, Mr. and Mrs. Joe Mattos, and her many local friends.

Zoning Proposal Will Be Subject At C. of C. Meet

Replacement for Secretary Will Be Considered Here Tonight

There will be a meeting of the Truckee Chamber of Commerce directors tonight at 8:30 in the Truckee Hotel to discuss a proposed resolution favoring an eastern Nevada County zoning ordinance, according to Harold Welch, chamber president.

A proposal has been advanced to have the county board of supervisors enact a building and zoning law for the eastern section of the county, in view of the contemplated development attendant to the 1960 International Olympic Games at Squaw Valley. At a recent meeting, the supervisors decided the people of the affected area had not had sufficient notice and returned the question to the county planning commission for further consideration.

A. T. Parsons, consultant with the county planning commission, was in Truckee yesterday conferring with local residents on details of the zoning proposals.

Welch said he and Kenneth Hedlund, vice president of the local civic group, will attend a public hearing on the ordinance to be held on the evening of Tuesday, July 26, in the court house at Nevada City.

Objections were raised to the compostiion of the suggested committee which would administer the provisions of the proposed law.

Also to be taken up at the chamber meeting this evening will be the selection of a new secretary to replace Mrs. Eva Hallett, who has resigned.

Meanwhile, Placer County supervisors have directed Assistant District Attorney Franklin Tuttle to draw up an emergency zoning ordinance which will protect the Squaw Valley area from undesirable commercial building. Excluded from the provisions of the proposed ordinance will be eight zoning areas at Lake Tahoe, which supervisors feel have adequate rules at present.

Meanwhile, the Placer planners gave tentative approval to Squaw Valley Estates No. 3, a subdivision in the area proposed by Mr. and Mrs. Wayne Poulson, after Mrs. Poulson presented maps at last week's meeting in Auburn.

Patio Project Progress Reported at Hospital, Donations Received

A patio for convalescent patients is currently under construction at the west end of the Tahoe Forest Hospital. It is planned for completion some time in August. This will provide an area for ambulatory patients to get outside in the sun and to enjoy the outdoors during the warm summer weather.

Mrs. Anthony Ryerson of Squaw Valley and Mrs. Arnold Leveen of Van Nuys both recently donated sums of money to assist in the work of completing the patio.

When finished, the patio will be a welcome addition to the hospital.

The Wyethia Club of Truckee has recently donated several shrubs and plants to be used in landscaping this area.

Parke, Davis President Visits Brothers Here

Harry J. Loynd, president of Parke, Davis and Company, international pharmaceutical firm, is visiting his brothers, E. L. and Walter Loynd of Loynd's Drug here this week. The visitor makes his home in Detroit and is accompanied on his western trip by his daughter Sandra.

Other members of the party include Carl Trasker of San Francisco, Rollie Ralston and daughter, Carolyn, of Los Angeles, and Frank Jochems, Denver, Colo.

While here, the visitors are guests at Gateway Motel.

At Local Ranch—

Mr. and Mrs. J. E. Joerger have come to their local ranch from Folsom and have as their guests Mrs. Walter McKinley of Sacramento, Mrs. Bernie Wolverton of Fresno and Mr. and Mrs. Stanton Gray of San Luis Obispo.

New Home Tract Opening Saturday On Fabian Land

Lots in the beautiful new "Highlands" subdivision, two miles east of Tahoe City, will go on sale at 10 a.m. Saturday, July 16. The tract is owned by Dr. and Mrs. John P. Fabian of Chico and Lake Tahoe and is reported to be one of the finest ever opened in this area.

The Fabians are long-time summer residents in the Tahoe area. For years they lived during the season in Tahoe Park and in 1946 purchased the Cutting home near Homewood, where they are spending the summer with their four children.

Only a portion of the 160 acres of the old Watson Mill property has been subdivided. This section was formerly owned by Mr. and Mrs. Robert Watson, life-long residents of the district and members of a prominent pioneer Lake Tahoe family.

Large, level lots with a south exposure and a beautiful view of Lake Tahoe and the mountains, wide, paved streets, underground gas mains, and an all-year water system make this location ideal for year-round Tahoe living.

Elsie Martin, real estate broker in Tahoe City, and her associates, Shirley Conger, Dodie Post and Howard Martin, are in charge of subdividing and sale of the "Highlands." On Monday Mr. and Mrs. Martin were in San Francisco and Sacramento conferring with the State Public Utilities Commission and Real Estate Commissioner D. D. Watson.

Arnold Leveen Dies Here on Monday, Well Known in Area

Funeral services will be held in Los Angeles for Arnold Wilbur Leveen, 59, who passed away here Monday after suffering a heart attack while visiting at Lake Tahoe last week.

The deceased was a native of Nebraska. A retired hardware merchant, Leveen is survived by his widow, Selma and two children. They had made their home for several years in Van Nuys. The body was taken to Los Angeles on Tuesday by the Truckee Colonial Mortuary.

Leveen was well known in the Lake Tahoe area, having spent the summer at his home at Meeks Bay Vista for the past 18 or 20 years. His passing came as a saddening shock to his many friends in the region and the sympathy of the community is being extended to his family.

Aaron Thomas Attends Baseball Training At Sacramento Ball Park

Aaron Thomas, son of Mr. and Mrs. James Thomas, is in Sacramento attending the Sacramento Bee-KFBK baseball school. This year schools have been added at Redding, Chico and Marysville beside the traditional one at Edmonds Field in Sacramento.

While he attends the school, young Thomas, who won his athletic letter in baseball at Tahoe-Truckee High School, is the guest of Mr. and Mrs. Gene Metteer, former Truckee residents in Sacramento.

$64,500 Allocated For Park at Emerald Bay

SACRAMENTO (CNS) — The state public works board has voted $64,500 for further development of Emerald Bay State Park at Lake Tahoe.

The board's action included approval of preliminary plans for and construction of projects at the park by the state division of beaches and parks.

CHECK CHARGE

At 6:30 this morning, Deputy Sheriff Roy Waters and Constable N. F. Dolley arrested Jack Bernard, 46, Truckee cook, on a warrant from Dunsmuir, charging him with issuing fictitious checks. Waters said he is being held here pending further word from officials in Siskiyou County.

Mr. and Mrs. Al Ring and daughter of Auburn have been visiting her father, Richard Joseph.

My Place In the Sun

by DOUG BARRETT

It's been the better part of two years since Governor Knight invited me to join his staff at Sacramento.....and I took my leave of my home town to go to the capitol .....These have been busy, interesting months.....offering little opportunity for nostalgic longings for the hills.....Anyway, I've had frequent contact with old friends from this area.....Just last week Charlie and Belle White's son, Bernard, was in to see me.....he's now very busy as a consulting engineer with headquarters in Sacramento .....Within a mile of my domicile Gene Ilardi, son-in-law of Tony and Kate Ghirard and former Loynd Drugger, is employed as a pharmacist.....One evening I rode several blocks toward home on a city bus with Mrs. Jennie Watkins .....Ran into Clarence and Helen Bowers, who had the old Truckee Bakery in years past, at church on one occasion.....Hermann "Bud" Owens had business which took him down the mountain.....and he dropped in for a visit.....My wife, Barbara, has frequent visits with Barbara (Mrs. Barney) Phipps..... who lives with her family in West Sacramento and teaches over there .....The train which brought us up this trip had Bill Smisek as fireman.....the former Truckee PTA president and his family live in Sacramento now and we hear from them on occasion.....Dorothy Buehler and her children have called on me while they were down..... Spotted Everett O'Rourke at lunch one day recently but was too far away to greet him.....Not so Father Patrick O'Neill.....he and some of his colleagues were lunching at a table next to one where I was eating with some of my cohorts.....and we had a most pleasant chat..... Every so often I see Les Deckwa on his big milk wagon.....Orval Vaughan and Lloyd Cranford both live within a few blocks of us and I see them frequently.....Aljah Caples, who went to high school here when I did and lived at Hobart Mills, is business agent for the Building Trades Council in Sacramento.....and I've passed the time of day with him once or twice .....Just Friday morning I was taking a constitutional along K Street, spotted Augie Esola having his shoes shined and stopped for a "time of day".....Moke Kielhofer and I often buy magazines off the same stand.....and so it goes; this list could go on for columns..... What with an active occupation, inter-family visits and such contacts as these, there's little reason to get lonesome.

By now the question has occurred, where's Walt? Well, since he came here in 1936 he and mother haven't missed a Thursday edition of the Sierra Sun. When I got my vacation this year, I thought it would be a good idea to see if I could still cut the buck as a community newspaperman. On the other hand, the folks have given me breaks without number, so I asked them to clear out and let me operate the place for a week. Hope everything came out all right —and if it didn't, Walt will be back next week.

Suffers Minor Injuries In Rainbow Collision

John Clyde of Mill Valley suffered minor injuries in a two-car accident west of Rainbow Saturday evening about 9 p.m. The highway patrol charged him with drunken driving, following treatment at the Tahoe Forest Hospital. He has been cited to appear before Judge Charles Crowe at Colfax and is free on bail.

A car he was driving collided with one operated by George Leang of Taft, officers said. Investigating officers were Lyle Tice and Roy Stallard.

According to the local highway patrol office, this accident occured in the Roseville district and the Truckee-Tahoe district was without a reported accident for the past weekend.

In Sacramento—

Mrs. Augustus Benjamin was a Sacramento visitor last weekend. Her husband is working out of that city for the Southern Pacific for the time being. The latter is a Truckee visitor this week.

Forestry Officers Seek Incendiary After Three Fires

Officers of the Tahoe National Forest are conducting a search for a firebug who is reported to have set three small fires on national forest land near Tahoe City on Sunday, according to Nelson Stone, assistant district ranger for the Truckee District.

Two of the three fires of incendiary origin were started near Tahoe Tavern and the third below Blackwood Creek. They were all quickly controlled by forest service suppression crews assisted by the Tahoe City Volunteer Fire Department.

Investigators have a partial description of a suspect, Stone said, and every effort is being made to apprehend him.

According to the officer, these were the first incendiary forest fires on the Truckee district in eight years and the second in nearly 20 years.

Also on Sunday forest service fire fighters and the Truckee Volunteer Fire Department responded to a blaze on the brushy hillside opposite Donner Cross on Highway 40. This fire was controlled within 15 minutes after burning some underbrush and dry pine needles. It is reported the latter fire was started by children playing with matches.

Swimming Instruction Scheduled to Begin Here Next Monday

The summer swimming instruction program, under the joint sponsorship of the Tahoe-Truckee Unified School District and the American Red Cross, will begin for the Truckee area on July 18. Classes will be held at the pool at Beacon Hill Lodge on Donner Summit.

School buses will leave the Truckee Elementary School for the swimming classes on the following schedule:

9:30 a.m., beginners, six and seven years old.

10:30 a.m., intermediates, swimmers and Junior Life Savers.

11:30 a.m., beginners, eight years old and older.

Sparks Truck Driver Dies After Taking Poison Wednesday

The body of Ernest Phillip Hutzler, 33, will be taken to Reno by the Truckee Colonial Morturary for last rites. The Sparks truck driver died here yesterday afternoon at about 5 o'clock, a suicide victim

According to an investigation by County Coroner Alvah Hooper and Deputy N. F. Dolley, Hutzler took a fatal dose of poison at Lake Tahoe during a spell of despondency. He was rushed to Truckee for treatment but passed away shortly after arrival.

A veteran of World War II, he is survived by his wife and two children. He was born in New York November 2, 1921.

Wyethia Club Meeting Set on Friday Evening

A regular meeting of the Wyethia Woman's Club will be held at the clubhouse on Friday evening, July 15, at 8 p.m.

Yvonne Brines will be featured on the program, playing her accordion. Hostesses for the meeting are Mesdames Annie Tonini, Helen Trask and Edith Welch.

COURT CLERK

Governor Signs Water Compact Bill This Week

Authorization by Congress Given Approval By Committee

Gov. Goodwin J. Knight last Friday signed Senate Bill 935 creating a California-Nevada Interstate Compact Commission to deal with matters relating to the distribution and use of water of Lake Tahoe, the Truckee, Carson and Walker rivers.

The act stipulates the commission is to cooperate with a corresponding commission established by the Nevada legislature in its 1955 session. The primary function of these groups will be formulating an interstate compact relative to the waters common to both states and to submit the compact to their respective legislatures.

The commission is also instructed to cooperate with any one designated by the President as a representative of the United States. In addition the bill provides that the state engineer is to cooperate with the commission and furnish it with whatever engineering or other data may be required.

The California commission will consist of the state engineer and six other members to be appointed by the governor. The law stipulates one member will be named from either Sierra or Nevada County and one each from Placer, El Dorado, Alpine and Mono counties. The sixth may be appointed from any place within the state to represent the Lake Tahoe area generally.

An appropriation of $50,000 was made from the state general fund for the expenses of the commission.

This commission is similar to one created by the legislature in 1953 to deal with Klamath River problems. Among other things to be considered by the California-Nevada Commission will be allocation of water from the Truckee, Carson and Walker rivers. Proponents of the bill contend it will eliminate the possible necessity for future litigation.

This project arose out of a suggestion by Governor Knight to Gov. Charles Russell of Nevada last December that such a compact commission would be mutually desirable. Nevada has appropriated $30,000 for this purpose.

U. S. Senators William Knowland and Thomas Kuchel of California and George Malone and Alan Bible of Nevada jointly introduced a bill in congress to give consent to interstate negotiation on this subject. This measure has passed the senate and on Tuesday received the endorsement of the House Interior Committee.

Any compact or agreement negotiated by the commission will not become binding until approved by both the legislature and congress.

Bookkeeping, Tax Service in Truckee

Mr. and Mrs. Burke W. Arvin have come from Vacaville to establish their home at Donner Lake. Arvin has taken an office in the Masonic Building where he has a bookkeeping service as well as tax return preparation for individuals and small business firms.

Mrs. Arvin will return to Vacaville next fall as she is under contract as a public health nurse with the school system there.

COOK'S TOUR

George Cook of Townsend, Vt., came to southern California by airplane and has been looking after his local property located near Donner Monument since his return west. Cook, who is a family friend of Grandma Moses, the famous painter, said that she is continuing with her art work despite her approaching 95th year and is taking part in a color film which will record the story of her life, to be released in the future.

Tahoe Taxpayers Sharply Protest Property Levies

Meetings Moved to Lake As Objections Mount to Assessments

The Tahoe area property owners who last week pledged before a meeting of the Placer County Board of Supervisors that, "We shall return" kept their word on Monday, 55 strong. The board is sitting as a board ofequalization this month and the taxpayers from the extreme eastern end of the county are protesting the increases in assessments which have been proposed on their property, which they contend represent raises as high as 200 and 300 per cent on their tax bills.

When they appeared before the board this week, the group was represented by William Farrell, an attorney, who requested that testimony in the matter be taken under oath.

$13,000 In Year

The first case considered was that involving the Ester J. Dollar property at Lake Tahoe. Oliver W. Meeks, business manager for the property, brought to light the fact that assessed valuation of that parcel had increased from $3420 to $12,210 from 1952 to 1955. With 61 requests for adjustment now before them, board members succeeded in hearing only two before adjournment Monday. A protest over the property of Carl Bechdolt, Sr., owner of Tahoe Inn, who said his assessed valuation had been raised from $39,260 last year to $52,240 this year were also heard.

After the session, the board adjourned to meet at Lake Tahoe Wednesday and Thursday to handle the balance of the requests for cuts in assessments in that area.

The district attorney's office has ruled that all affidavits by taxpayers objecting to 1955-56 assessments must be filed prior to 5 p.m. next Monday in order to receive consideration. It was also ruled that testimony supporting such affidavits must be heard prior to that time.

The board has decided that no immediate decisions will be made on current hearings at Lake Tahoe.

The largest increase being protested was that of the Dollar Estate, which was raised from $40,000 to $124,000.

Mrs. Ruth Droste, Tahoe City real estate broker, testified that motel owners in the area have a difficult time making expenses because they have a limited season each year.

The protests of the Tahoe property owners came before the board last week when Carl Bechdolt, Jr., appeared, seeking a reduction in the proposed assessment on his golf course, service station and motel property in Tahoe City. At that time, he asked his application be held open until other Tahoe people were represented.

Supervisor Critical

The residents contend County Assessor Lloyd Geraldson increased their assessments substantially over the 1954-55 figures. They were vigorously supported by Supervisor Frank Paoli of Applegate,

120 Scouts and Leaders Attend Summit Camp

A contingent of more than 120 Scouts and their leaders were welcomed at Camp Pahatsi near Donner Summit Sunday after being checked by Mrs. Helen Thom, attendant nurse for this period. They are now enjoying a full program of scoutcraft, field sports, swimming and canoeing. They are also passing tests on various subjects for which their stay at camp lends itself to the best advantage and the court of honor where they will receive their merit badges and rank certificates will take place on Saturday evening by a campfire and all its attendant atmosphere.

There will be a group of some 100 Scouts and leaders going in this coming Sunday for the second session of camp. Units which have made reservations are: Troop 14, Roseville, I. H. Flowers, scoutmaster and Fred Keeler will assist at troop camp director. Troop 10, of Auburn, Warren Wittich, scoutmaster; Troop 7, Truckee, Nelson S. Stone, scoutmaster.

The different groups of Scouts are encamped in separate villages all of which have Indian names. Parents are welcome but since there are no meals available for visitors, it is suggested that they take a picnic lunch when visiting camp.

AFFAIRS OF STATE
by Henry C. MacArthur

SACRAMENTO (CNS) — Two measures signed recently by Gov. Goodwin J. Knight signal the probable end of long and bitter struggles, affecting large numbers of people in California.

The first was AB 3111 by Assemblyman Clark Bradley, of San Jose, which permits counties to adopt a one per cent sales tax.

The second was AB 444, by Assemblyman Charles Chapel, of Inglewood, which permits county board of supervisors to publish delinquent tax lists in more than one newspaper in a county.

The sales tax bill battle was started six years ago, when the California Retailers Association caused tentative legislation to be put before the state legislature, calling for an increase of one per cent in the state's three per cent sales tax.

The first measure would have required the state to allocate the funds collected through the extra one per cent to cities and counties.

The bill created something of a battle between the cities and counties of California. Counties were anxious to get the additional money, being barred from imposing a sales tax levy. Cities were fearful that they would not get a sufficient share of the money.

It has taken, therefor, about six years to effectuate a compromise between the city and county lobbies, which resulted in the adoption of Bradley's bill at the 1955 session, and effectuated the original purpose of the retailers, which was to simplify sales tax collection without putting much more of a tax burden on the people. Particularly in Los Angeles County, tax collections are difficult because of the many communities with different sales tax rates, and the unincorporated areas involved.

However, the first step has now been effectuated. The next step is for county boards of supervisors to act. Just how many will is not as yet known, but indications are that most of the counties will go for the additional one per cent as a source of additional revenue. Meanwhile, the cities are reasonably satisfied, as they will get the major share of the increased tax.

The second bill, publication of delinquent tax lists, was the result of a battle in the California Newspaper Publisher's Association which has been under way for some twenty years or more.

In the past, one newspaper in a county has been given the delinquent tax list to publish. This arrangement was satisfactory in some counties, where there were few newspapers, and the job was passed around from year to year. In other counties, many publishers felt they were not getting a satisfactory break.

The association itself, up until last year, opposed the breakdown. The board of directors, however, changed the association action, and directed John B. Long, general manager of the association who represents the publishers in Sacramento, to do everything possible to see that the bill got through the legislature.

Long, who has opposed the measure for many years on orders of his board, was therefore put in an opposite position. However, his experience as a legislative representative came to the fore, and after many a set-back before committees, he finally managed to get the bill through both houses and down to the governor, who has written it into law.

Whether these two bills spell the end of the battles, there may be more legislation in 1957, cannot be known at the present time, but in any event, it is the end for at least a couple of years.

The four highest peaks in the continental United States are Whitney, 14,495 feet in California; Elbert, 14,431 feet and Massive, 14,418 feet, in Colorado; and Rainier, 14,408 feet, in Washington.

MONTHLY SOCIAL SECURITY PAYMENT IN COUNTY LARGE

Of the $73,554 in monthly social security benefits being paid in Nevada County at the end of 1954, $9,398, or about 13 per cent, went to mothers and children, according to George C. Hewitt, social security administration district manager in Sacramento.

Hewitt pointed out that payments to mothers and children have special signficance to the community as a whole because they help families to stay together after the death of the breadwinner.

Under the old-age and survivors insurance program, workers and their employers and self-employed people pay into a fund while they are working, and when earnings stop because of the death of the worker or because he has retired, payments are made from the fund to the worker and his dependents or to his survivors.

In all, 1474 people in Nevada County were receiving $73,554 each month in benefits under the old-age and survivors insurance program at the end of the year. This was an increase of 31 per cent over 1953.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Short and Long

Agnes Thorsen and Ronnie Myers are visiting with Mrs. O'Connor of Kings Beach. Agnes will only be up for a short stay but young Ronnie will be here for most of the summer. John, Mrs. O'Connor tells me, is in Washington state and is not expected back until the end of the month.

Juveniles

I think Rev. A. B. Covher had the right idea in saying environment has a tremendous lot to do with how a child goes through life. I believe environment can make all the difference whether it is to be good or bad. I would say the juvenile problem is caused by about 10 per cent heredity and nearly all the rest environment in the home or social life. You know yourself if you go out with company you have the urge to do what they do, good or bad. That is in our adult age, and it is the same with our youth. If they associate with a bunch of hoodlums then they will soon become the same. More attention to the ways of the children should be given, more help in getting them on the right road at the start. We should remember they were born to be good, and should be shown the way, and that way is right from the cradle. I'm sure it would help.

Out With Fires

Max Krueger, fire chief of the North Tahoe Fire Control, says for you to help keep the fires to a minimum—obey the fire laws. Last year at this time only four calls had been made, and this year the number is 17 and most of these were caused by carelessness. For heavens sake, watch your step. Be diligent in this matter. Remember the tragedy of last December when four lives were snuffed out. Don't let it happen to you.

Building

Well it looks as though Borue O'Brien will soon have his building finished. He has been taking his time, but it has sure paid dividends as it is a dandy. Whether Dot and Borue intend to open the restaurant before fall I am not sure.

Thanks

The meeting of the Naomi Circle at the home fo Anna Blaue was well attended and Anna wishes to thank everyone that helped to make the dinner-meeting a success. The W.S.C.S. is doing a wonderful job for the Community Methodist Church.

Take a Swim

Didn't know that there was a couple of swimming pools in Kings Beach, There is one at Dennis Adams' Little Bear Cottages and also at Cedar Glen Court.

Building

It looks as though the Miedema-Williams home on the golf course will soon be closed in as there is a home going up on each side. By the way Sophie Miedema left this week for San Pedro. Arnold is on the State Quarantine station at the port there, but both expect to be up again after a while. Beverly will stay for a while at least.

Visiting

The mother and dad and brother Jimmie are up with Mr. and Mrs. Marvey Klitzke of Kings Beach. Leonard and Mrs. Pilcher are from North Hollywood and have fallen in love with the lake area. In fact young Jimmie has been putting a little time in with Lee Madden at the Chevron station.

Daughter Up

Mr. and Mrs. Caesar of Caesar's Cottages had as a visitor their daughter, Mrs. Frank Schanz of Mill Valley. Mrs. Caesar was let in on a real secret, that she will be a grandma sometime in January. Mrs. Caesar tells me she is now a subscriber to the Sierra Sun and loves it too.

Attractive

Was just standing outside the post office, and do you know as I looked around especially at Nelson's Cottages, they have been there many years, and evidently never thought of it before, they have closed in a part of the front of their house, and have the prettiest lawn, with a little fence around and the cutest umbrella and chairs in the center. It sure is attractive, that is for sure. Congratulations, Earl and Peggy.

Visiting

Marion H. Dodd introduced me to Mrs. McClatchy and her brother, Mr. Hayes. It seems maybe they will have a home up here pretty soon. We hope so, anyway.

Cold Stuff

Red Waddell has been under the weather during last week, but we are very happy to report that he is just about himself again. It's the same old saying you just can't keep a good man down. Red runs the Frostie downtown.

Roaring Lions

It looks as though the Lake Tahoe Lions Club are off to a good start as the new officers were installed by Lion Charles Heller of Truckee on July 5th at Ta-Neva-Ho, Crystal Bay. Jack Felte was installed president, Dave Ashton first vice. Secretary is Chester A. Robertson. Other officers are Ernie Crawford, Mel Throop, Wally Skaggs. It was ladies' night and a most delightful evening was spent.

Rain

What a beautfiul Sunday afternoon this is. A lovely little rain and thunder. It smells just as sweet as can be. Just like a fall rain. Too bad for those that like to get down on the sands.

Christening

The church service at the Community Church last Sunday proved to be most intreesting. Almost 80 per cent of the congregation were visitors from all over this country and England. The choir wore the new robes which were beautiful. The new organ was in place and was played by Ruth Mizner. She made an excellent job and everyone was proud of her efforts. Then the dedication and baptism of infants took place. Lee and Margaret Madden's sweet little girl was named Donna Lee. She was born last December 26. The twins of Ted and Mrs. Lauche, also were so sweet. They were born last April 25, two boys, one named David Brauce and the other Paul Edward. Two cakes with the names on each one with "God Bless David Bruce" and the other "God Bless Paul Edward," was served with coffee after the service. The babies' grandmother was here for the occasion from England. July 31st has been set for the dedication for the new organ. Keep that date in mind. I see Mrs. Martha Jones, Reno organist, has consented to play during the recitals.

Visitors

Had William A. Scott, sheriff of Placer County and James Nelson, probation officer, here today, having into the toils of the highway on a complaint of driving a Cadillac without permission all the way to Wyoming and back, before coming into thet oils of the highway patrol at Truckee. They found that crime does not pay.

New Officer

Very important thing has happened. A deputy sheriff and car has been appointed to the Tahoe area of Placer County. This is an excellent step forward. Believe me there are a lot more necessities needed but we shall get them you'll see. This will augment the competent officers already here.

BISHOP SPEAKS, NEW PRESIDENT SEATED BY CLUB

TAHOE CITY — The Rt. Rev. Noel Porter of Sacramento and Tahoe was guest speaker at the luncheon meeting of the Tahoe City Rotary Club at Tahoe Inn on July 5. The bishop, who is a Rotary Club member in Sacramento, began his talk with one of his usual—and highly appreciated—humorous stories before entering upon more serious thought. The main theme of his talk was the human thumb and its coordination with the four fingers. He made an apt comparison to human cooperation and fellowship, which develops friendship.

Out-going President Bill Conners was presented by Secretary James Martin, with a president's gold pin. The new president taking the chair at this time for his first session was Vernon Bartell, who presided. Warren Porter takes Martin's place as secretary and C. W. Vernon remains as treasurer.

Of the 57 members of Rotary present, 26 were visiting Rotarians, and three Tahoe members brought guests. Basil Kehoe was program chairman.

The Farallone Islands are in two groups separated by 7¾ miles of open sea.

Mrs. Dorothy Ketman of Tahoe Vista, and her mother who has been vistiing her, left last weekend to spend a few days vacationing in San Francisco.

TAHOE FOREST TIMBER IS SOLD

NEVADA CITY— Forest Supervisor L. A. Rickel announced that 4,075,000 board feet of sawtimber was sold at auction on July 7 at Tahoe National Forest headquarters. The sale area of 170 acres is located a mile north of Highway 20 near Omega Mine.

The timber being of exceptionally good size and quality and readily accessible to several sawmills, the bidding was brisk. The high bid by Tahoe Sugar Pine Company of Washington was $103,060, an average price of $25.29 per thousand feet. The timber is mixed ponderosa pine, sugar pine, white fir, Douglas fir and a small amount of incense cedar.

LAKE LEVEL

TAHOE CITY—The level of Lake Tahoe on Monday mroning was 6226.75 feet with six gates open at the Tahoe City outlet. Maximum temperature for the week before was 69 on July 8.

WAGON TRAILERS WILL BE LEAD BY STATE OFFICIALS

PLACERVILLE — State Senator Swift Berry of Placerville, coordinator for the Highway 50 Association wagon train and trail ride, has announced Harold Powers, lieutenant governor of California, and Rex Bell, lieutenant governor of Nevada, will head the wagon train parade in Placerville July 23.

The procession will move down the Main street at 6 p.m. with an escort by James W. Marshall chapter of the Clampers. The parade will conclude the wagon train and trail ride from Lake Tahoe to Placerville.

The trail ride will begin July 18 in the Tahoe Valley and the wagon train will begin July 19. Although the trail ride will be through the back country including an overnight camp in the Desolation Valley Primitive Area, provision is made for joining the wagon train at several of the overnight stops on the journey to Placerville.

PLACER BOARD O.K.'S NEW CODE FOR BUILDINGS

AUBURN—Over the protests of some 20 property owners, the Placer County Board of Supervisors last week passed a new building code for the county. Supervisor L. L. Anderson made the motion, and it was seconded by Supervisor John Boyington. The vote was unanimous.

The new law goes into effect immediately, and the board voted to hire an additional inspector.

Effect of the measure will be to require building permits as well as inspection of all building and construction in the rural areas of the county.

Supervisor J. B. Paolini of Roseville preceded his vote with the statement that he felt that sufficient study had been given the matter by a committee from both the county planning commission and the supervisors for the past two years. They recommended adoption, Paolini declared, and "I feel it is imperative."

Opposition to the code or any code for rural home owners was led by Goerge Voyiatzes, representing, he said, more than 400 property owners, and W. F. Davidson of Meadow Vista.

"Dictatorship" was a prominent word in the talks of both men, with numerous requests that the issue be brought to vote of the people before being adopted.

Fred Sholtz, motel owner of the Tahoe area, spoke for the code, explaining in detail how it will help home owners.

The new ordinance sets up a system of fees, ranging from $2 for projects costing more than $200 and less than $500, and $55 for buildings costing $20,000. After $20,000 the fees increase at the rate of $1 per thousand.

Also called for are a $2 fee for electrical installation inspection and $2 for plumbing and gas installation inspection.

GORDON NAMED ON G.O.P. GROUP FOR CONVENTION

GRASS VALLEY—Gail Gordon, chairman of the Nevada County Republican Central Committee, encourages leaders of Republican women's organizations in this area and other Republican leaders to give some thought and attention toward meeting and entertaining the delegates and guests to the National Republican convention, which will meet in San Francisco next August.

Gov. Goodwin J. Knight wrote the local GOP chairman "I have announced that Republican county chairmen are being asked to serve on the host committee. In line with that announcement, I am writing to tell you that I would like very much to have your participation as a member of this committee."

Governor Knight said this committee will join in extending an all-out California welcome to the delegates and visitors.

Gordon has informed the governor that he will be glad to serve on the host committee.

EQUALIZERS RULED OUT OF LICENSE FIELD BY BROWN

SACRAMENTO (CNS) — Attorney General Edmund G. Brown ruled today that the state board of equalization can no longer issue interstate alcoholic beverage transporters' permits, even though they are used primarily as revenue control measures.

Brown said that only the state department of alcoholic beverage control can issue the permits.

The attorney general pointed out, however, that the board of equalization still has authority to require such reports as may be necessary from interstate liquor importers for administration of revenue laws.

The board requested the opinion.

CORPORATIONS ON RISE IN THIS STATE

SACRAMENTO (CNS) — New corporations in California during the first six months of 1955 increased some 40 per cent over the first six months of the previous year, according to Secretary of State Frank M. Jordan.

Jordan said that during the first half of 1955, total California and foreign corporations qualifying amounted to 9681, as compared to 6908 in the first six months of last year, an increase of 2773.

*2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Optional equipment, accessories, any state and local taxes, additional. Prices may vary slightly in adjoining communities. Even factory-installed options are bargains.

We'll mince no words.

You can buy a Buick SPECIAL like the one shown here if you can buy *any* new car.

You can boss this big and brawny Buick Sedan for just about the price of the smaller cars—even for *less* than some models of the three most widely known smaller cars. The price we show here proves that.

But you can't get anywhere else for the money what you get in this Buick, or any other new Buick—and that's something you really ought to look into.

For Buick sales are soaring to all-time best-seller highs this year *just because more and more people are discovering how much more automobile their dollars buy in a Buick than the same dollars buy elsewhere.*

They find Buick a bigger package of sheer automobile for the money—bigger in power thrill, in stretch-out comfort, in ride steadiness, in structural solidity.

They find Buick size and styling an added prestige — Buick roadability and handling ease an added pleasure—Buick brawn and precision an added reassurance.

And they find Buick performance a thrill without peer—for where else can you get the whip-quick response and bettered gas mileage of Variable Pitch Dynaflow†?

Maybe you'd better drop in and see how much real automobile and fun and deep-down satisfaction your money buys in Buick.

Whether you want the low-priced SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, or the custom-built ROADMASTER—you'll find the price more than right and the trade-in deal terrific. Can you make it today?

†*Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.*

ORIENTAL MOTIF IS FEATURED AT WOMEN'S SESSION

TAHOE CITY — The Women's Club of Tahoe held a bi-weekly luncheon-meeting on Thursday, July 7 at the Trade Winds restaurant in Kings Beach. President Doris Clark presided with 50 members and guests present. The occasion was entirely social.

A three-course Chinese luncheon was served and greatly enjoyed by the group. Two visiting speakers were introduced from the faculty of the Sacramento State College, which at present is holding its Lake Tahoe Summer Session at the Tahoe Lake school. The speakers were Paul Beckman, professor of art from Sacramento, and Mrs. Carl Bechdolt, Sr., of Tahoe City. They gave short talks concerning the various classes now in progress here, and announced their next theatrical performance to be held at the school on the evenings of July 21 and 22, and the last productions for the summer season to follow on August 4-5.

Following the luncheon first, second and third prizes were awarded to the members wearing the most outstanding Chinese costumes. First award went to Mrs. Alma Duncon for the oldest type of Chinese dress, second to Joane Ruhkala for the most unusual, and third to Mrs. Wilma Korich for the latest, most up-to-date Chinese costume. Three other members, carrying Chinese accessories and chosen as runners-up in the competition were Louise Geier, Martha Snyder and Doris Clark. The latter three each received a dinner for herself and family at the Trade Winds, presented by Proprietor Joe Ross. Judging in the competition were the Trade Winds' two Chinese chefs—Jimmy Chin and Lee Wing Chin.

The next meeting of the Women's Club will be held at 12:30 on July 21 at the Whitehouse Cafe at Carnelian Bay. This will be entirely a business meeting, preceded by the usual mid-day luncheon.

FRESH VENISON PROVES COSTLY IN TAHOE COURT

TAHOE CITY—John Acacio Duarte of San Francisco, now living at Tahoma, pleaded guilty in the Tahoe Judicial Court to a charge of possessing freshly killed deer meat out of season and was fined $200 by Judge Harry Charrison. Game Warden Erwin Single and Deputy Sheriff Harry Johanson, after obtaining a search warrant, arrested Duarte at home on July 9.

According to Judge Charrison, no less than five complaints were received in his court on charges of stolen cars in Kings Beach and Tahoe City during the past week. Three of the vehicles have been recovered. The California Highway Patrol, Constable Dick Lavery and Deputy Sheriff Harry Johanson all took part in the recoveries.

IRAQ AMBASSADOR HOMEWOOD GUEST

HOMEWOOD — Ambassador M. Shabandor of Iraq, his wife, their son and daughter are vacationing for a month at Homewood Resort. Shabandor represents his nation at Washington, D.C., and was in the west to attend the United Nations meetings in San Francisco last month. He was secretary of state in Iraq before coming to Washington as ambassador.

KIDDIE CONFERENCES

The Placer County Health Department this week announced that child health conferences are scheduled at Kings Beach in Carpenters' Hall on Thursday, June 21, beginning at 1 p.m.

SUMMER PLAYERS FEATURE READING OF "MOON IS BLUE"

TAHOE CITY—Dr. Carl A. Thomas, director of Sacramento State College's Summer Theater at Lake Tahoe, announced this week that his next production will be "The Moon Is Blue."

The Summer Theater's production of F. Hugh Herbert's smash comedy will be done as a reading, using the same style as Charles Laughton's famed Drama Quartet. "The Moon Is Blue" will be presented Thursday and Friday, July 21 and 22 in the Tahoe Lake school auditorium in Tahoe City. Tickets for adults will be available at the door with children under 14 admitted free if accompanied by their parents. Curtain time for both performances will be 8:30 p.m.

The service tsation at Homewood Resort is now open 24 hours a day, according to Manager C. Don Huff.

VITAL MOVIES ARE SEEN AT ROTARY MEET

KINGS BEACH— Bill Randal, the new president of the Rotary Club of Brockway, presided at his first meeting on Monday night at the Ta-Neva-Ho Club on Crystal Bay. During the dinner visiting members from the clubs in Chico, Tahoe City, Lodi, Salinas, Oakland and Hollywood introduced themselves.

The program of the evening consisted of presentation of two films, "Tale of Two Cities," a war department movie on Hiroshima and Nagasaki, and "Survival Under Atomic Attack" by Civil Defense. Both were furnished through the courtesy of the University of Nevada.

The next meeting of the club will be at 7:30 Monday evening at Ta-Neva-Ho.

There are three national battlefield parks in the National Park System of the United States.

Neither Rain Nor Hail ... Nor Broken Boxes!

Red Fowler, local R.F.D. mailman, got an English car—with a right-hand drive so he can stuff mailboxes from behind the wheel.

"It's great!" Red reports. "But it would work a lot better if *all* box holders would follow regulations. A mailbox should be *40 inches high, on the right of the road* . . . within reaching distance from a car window. If one is knocked down, the owner should make repairs pronto."

Come to think of it, Red is pretty good about *his* obligations—delivering packages, supplying stamps, cashing money orders—saving us trips to the Post Office. Let's fix up those boxes so he can get his chores done fast.

From where I sit, obligations always work both ways. For instance, I figure that I'm *obliged* to respect your right to enjoy your favorite beverage—be it coffee, tea, beer, buttermilk or whatever. Why? Because I'd expect you to do the same for me. The Golden Rule should be followed "to the letter" by *everyone*.

NEWS NOTES FROM TAHOE

by Ethel Joslin Vernon

Each month in this region seems to be naturally marked in the general course of things as a season for certain special days. Such as April and May when a crop of new babies usually make their appearance; June, "when young men's fancy" and young women's too seem to turn toward love and wedding dates. And now comes July, which is fairly teeming with birthday anniversaries of Tahoe residents.

Birthdays

Beginning with July 6, out at beautiful Wychwood, the Dollar family home, a quiet gathering of family and close friends paid tribute to the 75th birthday of R. Stanley Dollar, Sr. Dollar is not that many "years old," but he is that many "years young." His family says he does not believe in official retirement at any age, as long as one is hale and hearty and still enjoying life. At home to celebrate the occasion with the rest of the family were his daughter Diana, Mrs. Joseph Hickingbotham and family from their home in Washnigton, D. C. They are expected to spend the mid-summer season at the lakeshore home.

The next birth date on the Tahoe list is July 12 which is the natal day of Pete Vanni of this city, who is practically a native, having been brought here as an infant from his birthplace just beyond the Donner Summit. On Tuesday his wife, Pat, gave Pete among other nice things, a delightful birthday dinner—cake and everything—in their home on Lake View Drive. Dinner guests were Mr. and Mrs. Al Henry, Jr., son Gary and daughter Karen.

Mary Tabor, young daughter of Pat Henry Fox of this city, will be six years old on Wednesday, July 13. Pat's own birthday will be rolling around again on July 27.

Five old-time residents here celebrate their natal anniversary on the same day, July 19. The five include William Wallace Mein, Sr., of Tahoe Park; Mrs. Elizabeth Walker of the Truckee River locality; Bud Jones, first resident in Squaw Valley; Deputy Sheriff Harry Johanson and Mrs. Marie Henry of Tahoe City. All are longtime residents of this region.

Kathleen Starratt, daughter of Mrs. Anne Anderson of this city, has a birthday on July 20. Kay is at present engaged in her usual summer occupation as manager of the Elbo Summer Resort Ranch near Jackson Hole, Wyo.

Terry Tolleffson, who graduated from the Tahoe Lake school a good many years ago, celebrates his birthday on July 25 while Tahoe City Water Commissoiner C. W. Vernon reacher another mile post on July 26.

On July 29 Mrs. Mary Planett, mother of Marie Henry of this city, will celebrate her 84th birthday. She is one of the spry and healthful individuals who prove that Tahoe is God's country, and a land of long life and well-being.

New Owners

During the past week the former Birchwood Cottages resort at Lake Forest has changed ownership, and now has a new sign at its entrance which reads in lighted letters "Lee's Cottage Court." Mr. and Mrs. Clifford Lee and daughter Sandra, recently from Virginia, are the new owners. The Lees formerly spent more than six years in different parts of Europe, and the seventh year in the south part of the United States. Mrs. Lee says they have now decided that no other country can hold a candle to the Lake Tahoe region, and they've settled here for good. They have added many comforts and improvements to their new resort here, and they are still working on it.

Building Home

Mr. and Mrs. Max Bretsfelder, residents of the Lake Forest locality for many years past, are building another new home in that vicinity, the second or third within the last few years. The Bretsfelders believe in progress for Tahoe, and are proving it in a constructive manner.

At Meeting

Ollie Meek, a Tahoe summer resident who is a partner with the Stanley Dollars in the Sierra Boat Company of Carnelian Bay, is one of several Tahoe property owners who attended the controversial tax meeting in Auburn on Monday. Meek took his attorney with him. Other Front street and main highway residents who attended the meeting from Tahoe City and vicinity included N. R. Mayfield, A. M. Anderson, Carl Bechdolt, Basil Kehoe, Warren Porter, Fred Kilner, Fred Icholson of Tahoe Tavern, Harry Johanson, C. W. Vernon and several others.

On Horseback

During the past week Mr. and Mrs. Malcolm Fox from their new home in Squaw Valley left on horseback for a few days camping trip into the back country west of the valley. Mrs. Fox, the former Pat Henry, has been well acquainted with these high places since childhood and is an expert horsewoman. The pair took the old bridle trail up over the western mountain ridge, past Five Lakes to Diamond Crossing; from there over the summit through Heaven's Gate, and down into Hell Hole. They are pretty sure to have the time fo their lives, as the floor of Hell Hole at this season should be green and flowering, and indeed somewhat of a Garden of Eden, far from the world away.

Goes South

Rusty Frodenberg, son of Weather Arthur Frodenberg of this city, left here during the past week accompanied by his wife and baby, for the lower regions of southern California. Rusty expects to be occupied with crop dusting from airplanes in that locality throughout July and August. He has had several seasons of experience in this kind of work, and since this is somewhat an exclusive field, his services have become more and more in demand throughout the state.

Open Lodge

Mr. and Mrs. John Metcalf, Jr., opened their new summer lodge at Rubicon Beach last week, and are very busy entertaining friends and relatives from the bay area. Young Mr. Metcalf is the son of the well known Mr. and Mrs. John Metcalf, Sr., who for many years in the past spent their summers in the old family home on the lakeshore near Tahoe Tavern. The old Metcalf place was one of the first homes built in this locality.

Kaisers Up

Mr. and Mrs. H. J. Kaiser and family have been occupying their palatial summer lodge, Fleur de Lac, on the Tahoe Pines lakeshore for the past week, and are entertaining many house guests from bay region localities. Mrs. Kaiser's sister, Mrs. E. Garfield and family, are spending their vacation at Fleur de Lac this summer and various other relatives and friends are fast filling all the guests cottages on the estate.

At Agea

Mr. and Mrs. James Griffith and family are now occupying "Agea," the old Ash and Griffith home on the Tahoe City lakeshore, for their mid-summer vacation period. The James Griffiths are Piedmont residents. Miss Alice Griffith, owner of "Agea," is said to be regaining the full use of recently broken bones in her bay region home, and is expected to return soon to her place for the summer.

From Ross

Mr. and Mrs. S. D. Archibald, of Ross, Marin County, opened both their summer lodges last week on the mountain above Carnelian Bay. They are occupying one of the homes and will probably rent the other for the season. Their houseguests over the recent holiday week were Mrs. Archibald's son and wife, Mr. and Mrs. Robert Ham, with their baby daughter, Laura.

Passes Away

Tahoe friends will remember Mr. and Mrs. Aylmar Weston, who for sometime in the more recent past operated a taxi service from Tahoe Tavern. We were informed this week by a close friend of Clara (Mrs. Weston) that she passed away two weeks ago Tuesday in her home in Woodland. The only known survivors are her husband, and a sister, Mrs. Gertrude Verbert of Walnut Grove.

Tour Europe

We hear that Mrs. Alma Duncon's sister, Mrs. Lottie James of Modesto, witha sister-in-law of Mrs. Duncon, Mrs. Carl Tatting, have been touring Europe since late spring. The two ladies have visited in Sweden, homeland of their ancestors, and are enjoying a tour through just about all the rest of Europe, including Germany, Denmark, France and Belgium.

Boat Drifts

Robert Anaclerio, whose home is several miles from here along the south-western lakeshore, had an exciting experience for a short time last Thursday, when he happened to sight an unoccupied outboard motor boat on the lake a short distance from shore. He naturally wondered if the boat could have lost its occupants out in the water. He hurried to bring the boat in to the pier at May Ah Mee Lodge, and called the Coast Guard. It was shortly discovered that the boat had merely gotten loose from its moorings near its owner's home a few miles away, and had drifted with the light waves of the lake.

Patrol Captain Gets His Deer Hard Way In Car

Capt. Richard B. Langner, commander of the Roseville office, CHP, is an outdoorsman who likes to hunt and fish and was very happy to be transferred up to Placer County from Compton for this reason. But Langner would just as soon return to the smog-bound country as get his deer the way he got it.

Returning late in the evening to his home in Meadow Vista up Auburn way, Langner bagged his buck the hard way and narrowly escaped injury in so doing. He swerved his CHP car to avoid the critter as he turned off Highway 40 into the Placer Hills roads. The deer thought of the same strategy, but swerved directly into the path of the car and suddenly became venison hash.

The car took on a hash-like quality too—$225 in damages.

Langner was shaken by the experience but unhurt.

SLOW POKE DRIVER SCORED BY PATROL AS CODE IS CITED

SACRAMENTO—The slow poke driver who fails to keep right is a traffic law violator says the California Highway Patrol.

This statement is based on Section 525.1 of the California Vehicle Code requiring a driver who is driving slower than the normal speed of traffic to keep to the right hand lane or as near the right edge or curb as is practical.

"Most of these violations occur on multi-lane highways," Patrol Commissioner B. R. Caldwell declared. "Frequently cars pile up behind the driver who pokes along in the left lane forcing other drivers to weave in and out of traffic to maintain normal speed.

"Lane switching is dangerous and leads to many mishaps, Caldwell continued. "And, too many times, the slow poke who set up the hazardous situation is not involved in the accident.

"The best advice we can give motorists is to stay in the right hand lane except when about to turn left or when overtaking and passing another vehicle," the commissioner concluded. "Remember, the slow poke who insists in driving in the left lane is subject to a traffic citation."

The highest and lowest points in the United States—Mount Whitney and Death Valley — are 86 miles apart.

INCREASE IN SALES IN COUNTY SHOWN BY BOARD REPORT

SACRAMENTO (CNS) — Fiscal officers on two fronts were pleased today over reports affecting California's finances.

First, the state finance department reported the general fund would have approximately a $50,000,000 carry-over at the end of the fiscal year June 30, instead of the $30,000,000 estimate made earlier in the year.

Second, the state board of equalization said that phenonenal sales of automobile and farm equipment pushed taxable retail sales to a first-quarter high of $3,93,219,000. The sales were $580,000,000 or 17.5 per cent higher than those of the corresponding quarter last year.

The board's report showed that Nevada County had $4,018,000 in taxable sales from January 1 to March 31, which returned a tax of $120,540 to the state, representing an increase of 24.67 per cent from the first quarter of 1954.

Sales of new cars in California reached $624,305,000 to dwarf all previous records, the board said. This was a 46 per cent improvement over the comparable sales last year. Another $86,417,000 was spent for used automobiles, and dealers reported a 26.5 per cent gain in business.

The treasury carry-over, department of finances officers said, will materially ease the state's financial situation, including any strain on the $75,000,000 rainy day fund. Finance attributed the increased carry-over to the booming sales in automobiles.

Residents of District Make Equipment Gifts To Local Hospital

Mr. and Mrs. Anthony Ryerson of Squaw Valley recently donated to the Tahoe Forest Hospital a full reclining wheel chair and an explosion proof incubator, for use in the hospital nursery.

These items were badly needed at the hospital, as there was a shortage of wheel chairs and a need for an explosion proof incubator which would meet the requirements of the State Department of Public Health, Bureau of Hospitals.

On several occasions in the past, it was necessary to rent an incubator to meet the requirement in the nursery department of the hospital. With the new incubator available the hospital nursery will be able to provide adequate coverage in the future, especially under emergency conditions.

Mrs. Walter F. Mandeville of Crystal Bay recently donated a wheel chair to the district hospital.

This welcome addition will materially assist the hospital in providing for the needs of convalescent patients. During the winter season, the demand for this type of equipment is very great in order to adequately handle the orthopedic cases who require wheel chairs in the course of recovery.

IT'S WISE TO ADVERTISE!

I disliked missing all you fine people last week and since I can't think of a poor excuse, I will offer none. The success of our annual fireworks display, and the regatta this past weekend, is due to the untiring efforts, here in the middle of our busy tourist saeson, to those committees I appointed last spring. I think all these people deserve a big round of applause for the fine work they have done this year. From start to finish the co-operation your chamber has had from everyone in staging these events has been most gratifying.

* * *

It has been brought to my attention, with a request for some sort of action. I'm referring to the excessive speeds being used by some drivers in the Gateway residential area. We have many fine youngsters playing in this district, and I believe something should be done to prevent some of these reckless drivers from ever doing any harm to our children.

* * *

To anyone who might be interested in appearing, your board of directors is having a meeting tonight at our offices in the Truckee Hotel at 8:30 p.m. where several important community problems will be discussed. ANYONE who has an interest in the new zoning ordinance that has been proposed for this area, you may air your views at this meeting.

—HAL WELCH

-- CHURCH NOTES --

The Women's Society of Christian Service of the Methodist Church will have their regular meeting Wednesday, July 20 at the church at 1:30 p.m. The topic will be "When Saw We Thee a Stranger?" which is about the work of the church in the needy city areas. A special offering will be taken to buy two strong toys for the San Pedro Settlement House. Leaders of the program wil be Mrs. M. C. King and Mrs. Wm. Englehart, Jr. At 1:15, just prior to the day's program a prayer meeting will be held, led by Mrs. Eugene Risden.

Rev. Osman is proud to announce that there are nine youths taking advantage of the summer camp program this year. The Senior High Institute will be attended by Sandra Frank, Glenda Lakey, Janice Notley, and Nancy Kaspian and they are going to Camp Sierra below Yosemite. The Junior High Christian Adventure camp will be attended by Merrill Englehart and Dean Fetterman at our camp in Lake Forest on Lake Tahoe. The Junior Camp will be attended by Virginia Barnes and Terry and Kittie Ellis at the Feather River Camp in Keddie. There are still a few opportunities left; if you are still interested, please see Rev. Osman immediately.

The Methodist Youth Fellowship will have a party at the church this Friday night the 15th of July. There will be games, folk dancing, square dancing, and other dancing along with refreshments. It will start at 8 p.m. and end about 11 p.m.

Tahoe Taxpayers

(Continued from Page 1)

who represents the Kings Beach area along with the rest of the fourth district.

" I want to go on record," Paoli said, "against piece-meal increases in assessed valuation. I think the Tahoe increases should be held up until the entire county has been surveyed and then made uniform at once."

Supervisor L. L. Anderson, who represents the fifth district embracing Forest Hill and Tahoe City, pointed out the county board lowered taxes two years ago when assessments were raised throughout the county. However, he said, school districts did not and most other poltiical subdivisions had no cooperated.

Geraldson stated, "I have no control over taxes. All I'm doing is what the law says I've got to do. Your own budget makers are your own problems. There is no direct relationship between my assessments and taxes."

"I plan to assess for the highest and best use as required by law," the assessor said at another point. "I'm am the assessor. This is my responsibility. Your job is to determine if I have produced a wrong value," he told the supervisors.

Assessor Defends

Geraldson said his assessments had increased county-wide and not only at Tahoe. Paoli took issue with him, saying increases in districts one and three were due mainly to new construction while those at Tahoe were in land values on property which had not been improved.

"There is no indication there has been a 400 per cent increase in property values," the supervisor said. "Don't jump the gun and assess for what lake frontage might bring at a sale. When it is sold, the actual sale price is a proper sum to consider."

During the sessions last week, Geraldson commented that the picture was being portrayed to "set me up as a first class stinker."

He thought an opinion should be obtained from the attorney general or the state board of equalization to determine if his procedures are correct.

"In Hot Water"

Geraldson said, "I tax the lake property just as I do all other property in the county. Many things are taken into consideration, selling prices of all property in the area, income from property, and general real estate values."

Geraldson also asserted "there is not one assessed valuation in the lake area that is no lower than the actual value placed on the property by the owner." He added: "Unless I get better cooperation from taxpayers and more factual information, we will all be in hot water."

Balance in Treasury Lower Than Last Year

The balance in the Nevada Cunty treasury was $19,088.95 less at the close of the 1954-55 fiscal year on June 30 than at the same time the year before, according to a report by Miss Elma Hecker, the county areasurer.

On June 30 this year the treasury showed a balance of $815,556.79 against $834,645.74 a year ago. It was pointed out that this difference was a small fraction of the county receipts of $4,230,959.60 for the last fiscal year, with disbursements at $4,250,048.55.

How helpful Can We Allow friends to be . . . ?
Their advice may be offered in a spirit of helpfulness—and still be dangerous. The remedy that seemingly helped one may be entirely wrong for another.
When sick, seek advice only from your Doctor. Diagnosis and treatment are specialized knowledge with him—not guesswork. Seek his guidance in all matters of health, and follow his directions faithfully. His prescription will be written especially for you.

Tarzan

by EDGAR RICE BURROUGHS®

THE KING'S HERALD INTERRUPTED THE TRAINING ACTIVITY IN THE COURTYARD TO ANNOUNCE A JOUSTING CONTEST FOR THE FOLLOWING DAY.

TARZAN LOOKED FORWARD TO THE JOUSTING TOURNAMENT, BUT THE NEXT MORNING HE GOT WORD THAT SIR ROGER WAS ILL. QUICKLY THEN, HE MADE A DARING DECISION--

HE DONNED HIS MASTER'S ARMOR AND, THUS DISGUISED, RODE OUT TO THE FIELD WHERE THE PARTICIPANTS HAD GATHERED!

Copr. 1931 Edgar Rice Burroughs, Inc.—Tm. Reg. U. S. Pat. Off. Distr. by United Feature Syndicate, Inc.

'SIR ROGER' JOINED THE OTHER KNIGHTS IN A PRE-TOURNAMENT SALUTE TO KING ALBERT.

ABRUPTLY THE FIGHTING BEGAN-- A PROCESS OF ELIMINATION AS THE BETTER JOUSTERS THREW DOWN THE WEAKER--

UNTIL ONLY TARZAN AND ONE LONE KNIGHT REMAINED ON HORSEBACK! DETERMINEDLY NOW, THEY CLASHED--

DICK VAN BUREN JOHN CELARDO

AND THE BRUTE STRENGTH OF THE APE-MAN ENGULFED HIS FINAL FOE-- HE HAD WON OVER THE FIELD!

ABBIE an' SLATS by RAEBURN VAN BUREN®

POP'S IN ONE OF THOSE (SIGH) INVENTING MOODS AGAIN, SLATS! HE'S BEEN BARRICADED IN THAT SHED FOR TWO WHOLE WEEKS!

THE LAST TIME HE WAS HIT BY ONE OF THOSE SPELLS HE WOUND UP INVENTING ELECTRICITY-- ONLY A FELLER NAME O'EDISON HAD BEAT HIM TO IT!

GOT IT, BLARST IT!!

BUT, POP- CAN'T YOU JUST MAIL YOUR INVENTION TO THEM?

NOT ON YOUR HARMONICA, BABY! THIS INVENTION'S GOTTA BE DEMONSTRATED!

FRAGILE HANDLE WITH CARE

AND SO BATHLESS GROGGINS ARRIVES IN HOLLYWOOD-A CITY THAT HAS WEATHERED MANY STORMS-UP TO NOW!!

MR. SHARYMORE-THERE'S AN ECCENTRIC-LOOKING BUM OUTSIDE WHO SAYS HE'S REVOLUTIONIZED THE MOTION-PICTURE INDUSTRY!

WHAT THIS INDUSTRY NEEDS IS LESS REVOLUTIONS AND (GROAN) MORE GOOD PICTURES! THROW HIM OUT!

THAT ATTITUDE'LL GET YOU NOWHERE, BUSTER. NOW CLEAR THAT JUNK OFF YER DESK!

FRAGILE HANDLE WITH CARE

WHAT (GASP) IS IT SUPPOSED TO BE?

YER COMPETITORS HAS GOT VISTA-VISION, CINERAMA, CINEMASCOPE, 3-D... BUT NONE OF THEM SLOBS HAS GOT WHAT I'M OFFERIN' YOU RIGHT NOW!

SURROUND-O-SCOPE!! PAL, IN MY INVENTION, THE CUSTOMERS IS SURROUNDED BY THE BLARSTED SCREEN AND (CHUCKLE) THAT AIN'T ALL!

YOU MEAN THERE'S (SHUDDER) MORE!!

STRANGE as it seems

ELSIE HIX

IT COSTS APPROXIMATELY $275,000 TO TRAIN ONE PILOT REPLACEMENT FOR THE B-47 BOMBER...

WEEDS COST THE FARMER 5 BILLION DOLLARS A YEAR--CHOKING OUT CROPS, CLOGGING IRRIGATION DITCHES AND POISONING FARM ANIMALS...

THE GREATEST SPECTACLE IN THE HISTORY OF THE ROMAN "GAMES" OCCURRED DURING THE REIGN OF AUGUSTUS CAESAR... IN ORDER TO SURPASS ALL PREVIOUS EMPERORS HE ONCE HAD 10,000 GLADIATORS ENGAGE IN MORTAL COMBAT AT THE SAME TIME!

THE RELIGION OF THE JAIN MONKS of India, FORBIDS THE TAKING OF LIFE IN ANY FORM... THEY HAVE BEEN KNOWN TO WEAR MASKS TO KEEP FROM ACCIDENTALLY SWALLOWING A FLYING INSECT, AND TO REFRAIN FROM WALKING AT NIGHT LEST THEY STEP ON ONE ...

NOT ALL CROWS ARE BLACK... THE CLARK'S CROW IS GRAY AND WHITE WITH BLACK TRIMMINGS!

THE EARTH TRAVELS IN ITS ORBIT AT AN AVERAGE SPEED OF 66,600 MILES PER HOUR!

GEORGE WESTINGHOUSE PATENTED A NEW INVENTION ON AN AVERAGE OF EVERY SIX WEEKS FOR 48 YEARS! DURING HIS LIFETIME HE PARLAYED HIS PATENTS INTO 60 MANUFACTURING COMPANIES...
